FYI this is the guy from AEG who voted NO. I met with him yesterday and now he's pumped about the BID and wants to take Martha's place on our board. Frankly, I think he's a much better fit.

I'm going to try to touch base with Martha today or tomorrow to see if she wants him to take her seat or just act as her proxy. Will keep you updated.

Ok I'm in. Looks like the next meeting is 8/24. I've told Martha so whatever you need to do as it relates to replacing her proceed. Looking forward to a win win for both our organizations. Talk soon.

## RE: SPBID Board information

I'm attaching the Board and Committee meeting schedule, which should give you a better idea of the level of time commitment this position would require. I ask that each Board member serve on 1 committee. Many choose to call in.

I've also added you to our e-communications list, so you'll start receiving information about what we're up to.

Again, I'm really enthusiastic about you joining the Board. I see it as a fantastic partnership between AEG and SPBID, as well as a somewhat selfish opportunity for me to get to work with you more consistently. There, I said it.

Let me know what else you need from me in order to make this decision. Regardless of how this turns out, I'm looking forward to working together in the future.

Best,

Ellen
